Fulfill 16 hours of Professional Development requirements by attending this two-day course. Workshop accredited by Adams State University. 1.5 CEUs or one Graduate Credit are also available.

Our **Level II Professional Developments** allow you to build musculoskeletal and body systems with clay on four different **MANIKEN®** Human Models. The PD is appropriate for all medical career pathways educators including, but not limited to: Nursing, Kinesiology, Sports Medicine, OT, PT, Imaging, Health Management and Anatomical Studies. Learn how to easily implement and meet NCHSE directed NATIONAL HEALTH SCIENCE STANDARDS in your classroom.

Additionally, this PD includes new PBL activities such as identifying injury and disease, diagnostics, healing pathways and treatment protocols.
